Katonah FD – Tanker 6
2,000 gpm/3,200 gallon Engine-Tanker
Katonah, New York

Facts and Figures...

- Tanker 6 is a 2005 Pierce engine/tanker operated by the Katonah FD located in Westchester County, New York.
- The rig is built on a custom Pierce chassis and is powered by a 560 hp Detroit diesel motor.
- The engine/tanker has a 2,000 gpm, Waterous pump and carries 3,200 gallons of water.
- It is also equipped with a 10-inch rear dump; two, 8-inch side dumps, and a 5-inch direct fill line.
- Tanker 6 carries 400 ft of 5-inch hose and a 3,000 gallon portable dump tank.
- The Katonah FD protects the rural, northern area of Westchester County, New York.

Katonah Tanker 6

Tanker 6 is one of several, large capacity engine/tanker rigs serving the northern area of Westchester County, New York.

Katonah Tanker 6

The panel on this engine-tanker is nicely laid out and looks to be operator friendly. The 2,000 gpm pump really makes the rig quite versatile as an attack engine, supply engine, or a nurse tanker.

Katonah Tanker 6

Tanker 6 is set-up with large-volume direct fill lines that will accommodate 5-inch hose.

Katonah Tanker 6

The 3,000 gallon dump tank allows for the tank to be emptied and the rig to get on the road for another load of water.

Katonah Tanker 6

Tanker 6 has two, pre-connected crosslays and a pre-piped deck gun giving it some god fire fighting capabilities.
