Drafting Operations

**Damming a Stream
Using a Ground Ladder
and a Salvage Cover**

The Dam is Created w/ a Roof Ladder and a Tarp

Drafting Engine

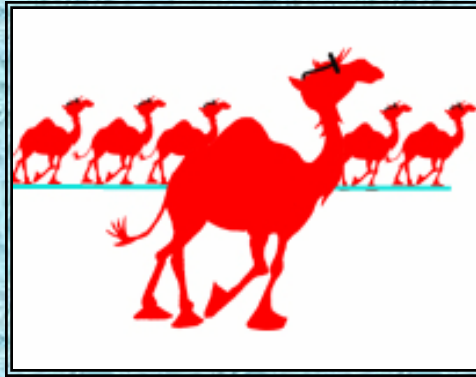

Floating Strainer

Facts & Figures...

- This operation occurred at a 4-alarm church fire in Libertytown, Maryland.
- The stream runs through town and actually contained run-off from the fire.
- New Windsor's E101's pump operator was quick thinking and orchestrated the construction of the dam.
- Flow was limited – but it was enough to fill some tankers.
- Nice work!
